Message from the Chairman

Bismillahir Rahmnir Rahim, Dear Shareholders, Assalamu Alykum,

Good Morning. On behalf of myself and the Board of Directors, I welcome you all to this 13th Annual General Meeting of your Company. It is my pleasure to present before you the Audited Financial Statements, Auditors Report and Directors Reports for the year ended 30th June 2020.

Performance Review: In the financial year ended on 30th June 2020, the operating results deteriorated from the previous year due to impact of prevailing COVID-19 pandemic worldwide, the company faces difficulties while disposal of inventories including raw materials at a comparatively low price for customers reluctance, ultimately these causes declining revenue and sustainability of the company business. Therefore NAV, EPS, revenue, other operation results and performance have been adversely affected.

In the year 2019-2020 turnover of your company has decreased from Tk 1,186.68 million to Tk.756.68 million Compare to the last year. Marketing & Promotion: Your company's activities during the year kept rapidity with the symbolic progress. Improved network among traders and consumers have made potential for our marketing panel to continue the market base. This has become possible due to our commitment to the customers and continuous effort to improve on quality of products and services. We hope to carry on our endeavor through the year ahead at the same speed and competency.

Environmental & Ecological Obligation: You are entirely aware that maintaining suitable environmental and ecological balance is very important for a healthy society & nationalized improvement. We are evenly concerned and have been patiently pursuing the principle of maintaining appropriate environment, reducing environmental pollution and established a zero tolerance policy in order to make sure that we become environment friendly, not destroyers. We strongly believe that a healthy society can bring out the best for society.

Acknowledgements: The world economy is struggling hard to rehabilitate and revive financially. As you know, our revenue is generated from exporting, and due to the unbalanced global factors we faced difficulties in marketing our products on a regular basis. However, we have set on a mission of Globalization using all of our experience, expertise and know-how developed in Bangladesh over the years. We are growing our perspective and we can attain this with our spiritual strength on our people and skill.

Conclusion:

I would like to express my sincere thanks to our respected shareholders for extending continuous support and confidence on the Board of Directors of the Company. I would also like to place on record my appreciation of thanks to our bankers and financial institutions,

BEPZA, BSEC, DSE, CSE, RJSC, Suppliers, Customers and other stakeholders with whom we have been interacted in course of business for their continuous support throughout these challenging times. The success we have achieved so far was only possible because of the collective efforts of all concerned. Once again, I convey my heartiest thanks to all our stakeholders and look forward their continued support and co-operation in future.

Finally, my gratitude goes out to each and every loyal staff and management team member of the company for their efforts despite adverse external factors, to sustain high service levels and support the company with their hard work, dedication and loyalty.

Thanking you all with wishes of healthy and prosperous life.

DIRECTOR'S REPORT

Bismillahir Rahmnir Rahim, Dear Shareholders, Assalamu Alykum,

On behalf of the members of the Board of Directors of your company and on my own behalf, I welcome you all to the 13th Annual General Meeting of FAR Chemical Industries Limited. We members of the Board are pleased to present Directors' Report, Auditors' Report and Audited Financial Statements for the year ended 30th June, 2020 before you for your consideration and approval.

(i) Industry outlook and possible future developments in the industry:

You know that your company's products are the raw materials of garments and textile sector. So our production and sales are depends on uninterrupted production of textile and garment industries. The garments and textile sectors has gone through lot of obstacles. But this has not affected the growth of the sector, regardless of rising energy and raw material costs and ever growing labor unrest.

The ongoing global economic crisis including COVID 19 effect having an impact on all export dependent economies. Even high performing countries like China and India have recorded slowdowns. Other high performing economies like those of Thailand, Philippines and Indonesia are also suffering badly because of the ongoing crisis.

In contrast, export of textile products from Bangladesh surprisingly remains quite buoyant. Readymade Garments exports have decreased by significant percent, during the year 2019-2020 over the corresponding period of last year.

the last two comparative periods:					
Products	Year ended 30-06-2020		Year ended 3	80-06-2019	
	Taka	Percentage	Taka	Percentage	
Softening Agent	238,538,770	31.52%	375,277,964	31.62%	
Scouring Agent	101,377,916	13.40%	157,490,776	13.27%	
Anti-Foaming Agent	68,161,317	9.01%	107,801,966	9.08%	
Levelling Agent	67,041,260	8.86%	104,217,752	8.78%

Total	756,684,767	100%	1,186,680,670	100%	

(ii) Segment - wise or product – wise performance:

The following table indicates revenue of major products and its contribution percentage for the last two comparative periods:

(iii) Risks and concerns:

You know that your company's products selling is directly depends on the production of garments and textile sector. All sectors of the garments and textile industries face many of the same challenges due to Covid-19 impact world-wide. This unpredictable impact of Covid-19 as well as lack of power problem and labor unrest may cause disruption of production. Price of grid electricity for industries is likely to increase as well. Hence, coming

year could be a year when the industries may need to be prepared to pay more for energy and labor. So, this forcing the sector to be more cost effective in the ever challenging international market.

(iv) Analysis of Cost of Goods sold, Gross Profit Margin and Net Profit Margin:

(a) Cost of Goods Sold:

This year's cost of goods sold was Tk.666.52 million as compared to last year's cost of goods sold of Tk. 955.23 million. This is due to the fact that there has been decrease of sales and production quantity. Production capacity utilized during the year was 64.00%.

(b) Gross Profit:

The company has achieved an export turnover of Tk. 756.68 million during the year ended 30th June, 2020. Last year's turnover was Tk. 1,186.68 million. The decrease in turnover is 36.24% compare to the last year. Gross profit earned during the year was Tk.90.17 million as compared to last year's gross profit of Tk. 231.45 million.

(C) Net Profit:

Net profit (after tax) earned during the year was Tk.72.14 million as compared to last year's Net profit (after tax) of Tk. 209.16 million. During the year net profit after tax has decreased due to increase of manufacturing overhead, increase of raw material cost as well as decrease of unit selling price.

(v) Extra - Ordinary gain or loss:

During the year there was no such gain or loss.

(vi) Related party transactions:

During the year the company has carried out transactions with related parties besides the normal course of business, details are given below:

INDEPENDENT AUDITOR'S REPORT To the Shareholders of FAR Chemical Industries Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of FAR Chemical Industries Limited (the "Company"), which comprise the Statement of Financial Position as at 30 June 2020 and Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements of the Company give a true and fair view of the financial position of the Company as at 30 June 2020, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note # 3.07 in the financial statements that the company has renewable lease arrangement with Bangladesh Export Processing Zone Authority (BEPZA) for industrial plot # 135-136 in Cumilla EPZ. Since inception to the last year, the lease has classified as operating lease as per IAS - 17 Leases. In the context of the application of IFRS 16, right-of-use assets and lease liabilities were recognized by the company onward on 1 July 2019 in accordance with the modified approach and without applying retrospective impact. In addition, the Company has decided not to apply the new guidance to leases whose term will end within twelve months of the date of initial application and leases of low-valued assets. In calculating the present value of lease payments, the company uses incremental borrowing rate 9% because the interest rate implicit in the lease is not readily determinable. Our opinion is not modified in this respect.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of key audit matters	Our response to key audit matters		
Revenue recognition			
At year end the company reported total revenue of BDT.756,684,767.The company generates revenue from sale of goods to export customers. The timing of the revenue recognized and realized increases the risk of exposure of revenue to foreign exchange fluctuations.	 We have tested the design and operating effectiveness of key controls focusing on the following: Obtaining an understanding of and assessing the design and operating effectiveness of controls designed to ensure that revenue is recognized in the appropriate accounting period; 		
There is also a risk that revenue may be overstated/understated due to the timing	- Segregation of duties in invoice creation and		

FAR CHEMICAL INDUSTRIES LTD.

differences between L/C opening and goods	modification and timing of revenue recognition;		
exported. We identified revenue recognition as a key audit matter as it is one of the key performance indicators of the Company, which give risk to an	compliance of those policies with applicable accounting standards;		
inherent risk of the existence and accuracy of the revenue.	- Obtain supporting documentation for sale transaction recorded either side of year end to determine whether revenue was recognized in the current period;		
	- Comparing a sample of revenue transactions recognized during the year with the sale invoices and other relevant underlying documentation;		
	- Critically assessing manual journals posted to revenue to identify unusual or irregular items, and finally assessed the appropriateness and presentation of disclosures against relevant accounting standards.		
	[See note number 20 for details]		
Valuation of Inventory			
The inventory of BDT 535,592,517 as at 30 th June 2020, held in warehouses and across multiple product lines in the factory.	We challenged the appropriateness of management's assumptions applied in calculating the value of the inventory provisions by:		
Inventory value is measured as follows: Inventories are stated at the lower of cost and net realizable value in accordance with IAS 2 'Inventories'. As a result, the management apply judgement in determining the appropriate values for value in use, work-in-progress, values for slow moving or obsolete items and need to apply impairment provision. While excess holding of inventories could impact efficient use of working capital similarly lower level of inventories can result in stock outs or irregular supply to the market.	 Evaluating the design and implementation of key inventory controls operating across the company's factory and warehouse; Checked and verified the stock count report done by the management as on date. We have reconciled the inventory with purchase, production and sales to ensure the physically shown stock as on date was accurate. Reviewing the historical accuracy of inventory provisioning and the level of inventory write- offs during the year; We have considered the risk of inventory being expired/damaged due to the effect of COVID-19 and checked whether any provision was required for any such expiry/ obsolescence. Comparing the net realizable value, obtained through a detailed review of sales subsequent to the year-end, to the cost price of a sample of inventories and comparison to the associated provision to assess whether inventory provisions are complete; Obtaining a detailed review with the subsequent sales to compare with the net realizable value. 		

Valuation of Property, Plant and Equipment	
The carrying value of the PPE amounted to BDT 1,934,391,972 as at 30 June 2020. The valuation of PPE was identified as a key audit matter due to the significance of this balance to the financial statements. Expenditures are capitalized if they create new or enhance the existing assets, and expensed if they relate to repair or maintenance of the assets. Classification of expenditures involves judgement. The useful lives of PPE items are based on management's estimates regarding the period during which the asset or its significant components will be used. The estimates are based on historical experience and market practice and take into consideration the physical condition of the assets.	 Our audit included the following procedures: We reviewed the opening balances of PPE which was audited by another auditors including assessed the addition during the year under our audit, checked the related accounting treatment and associated deferred tax as recognized by the company. We assessed whether the accounting policies in relation to the capitalization of expenditures are in compliance with IFRS and found them to be consistent; We obtained a listing of capital expenditures incurred during the year and, on a sample basis, checked whether the items were procured based on internal purchase order that had been properly approved by the responsible individuals; We inspected a sample of invoices and L/C documents to determine whether the classification between capital and operating expenditure was appropriate; We checked whether the useful lives determined and applied by the management were in line with historical experience and the market price; We checked whether the depreciation of PPE items was commenced timely, by comparing the date of the classification from capital in progress to ready for use, with the date of the act of completion of the work. We performed physical asset verification at the year end, observed procedures of asset acquisition, depreciation and disposal and finally assessed the appropriateness and presentation of disclosures as per relevant accounting standards.
Management's Consideration of the Potential I	
Management has made estimates and judgments that there was limited adverse impact of COVID-19 on the company. In doing so, management have made estimates and judgments that are critical to the outcomes of these considerations with particular focus on the company's ability to continue as a going concern for a period of at least 12 months from the date of the signing of the financial	 Our audit included the following procedures: We obtained management's most recent financial results forecasts and liquidity analysis underlying their going concern assessment and tested the integrity of the forecasts, including mathematical accuracy. We challenged management on the key assumptions included in the scenarios and we subjected management's most recent forecasts to

statements. As a result of the impact of COVID-19 on the wider financial markets we have determined management's consideration of the potential impact of COVID-19 (including their associated estimates and judgement) to be a key audit matter.	 additional stress testing to confirm that both management and the Board have considered a balanced range of outcomes in their assessment of the potential impact of COVID-19. Based on our procedures, we have not identified any other matters to report with respect to both management's and the Board's considerations of the potential impact of COVID-19 on the current and future operations of the company.
	[See note number 3.18 for details]

Other Matters

Due to the pandemic situation of COVID-19 all over the world, physical verification of inventory could not be held by us for the the year ended June 30, 2020 considering the health risks. However, during the course of our audit we have carried out audit procedures to ensure the value of inventory as on 30 June, 2020 is appropriate and free from any material misstatement. Detailed audit procedures are described in the key audit matter paragraph of this report.

Other information

Management is responsible for the other information. The other information comprises all of the information included in the Annual Report other than the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with International Standards on Auditing (ISAs), we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the company's financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We have not come across any other key audit issue for the year under audit, and as such noting is reportable.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act, 1994 and the Securities and Exchange Rules 1987, we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of those books;
- c) the statement of financial position and statement of profit or loss and other comprehensive income together with the annexed notes dealt with by the report are in agreement with the books of account and returns; and
- d) the expenditure incurred was for the purposes of the Company's business.

- iv. Statement of changes in equity for the financial year ended on 30 June, 2020
- v. Accounting policies and explanatory notes for the financial year ended on 30 June, 2020

3.03 Inventories

Inventories are measured at lower of cost and ex-factory net realizable value in compliance with "IAS 2: Inventories". The cost of inventories is based on weighted average principle and includes expenditure for acquiring the inventories and bringing them to their existing location and condition. Net realizable value is estimated upon selling price in the ordinary course of business less estimated cost of completion. When the inventories are used, the carrying amounts of those inventories are recognized as expense in the year in which the related revenue is recognized.

3.04 Revenue

In compliance with the requirements of IFRS 15 Revenue from contracts with customers, Entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Revenue is recognized only when following steps match with a transaction;

- a) Identification of the contract(s) with a customer;
- b) Identification of the performance obligation in a contract;
- c) Determine the transaction price;
- d) Allocate the transaction price to the performance obligations in the contract;
- e) Recognition revenue when (or as) the entity satisfies a performance obligation by transferring control over goods or services to a customer;

3.05 Foreign Currency Transaction/Translation

Foreign currency transactions are translated into Bangladeshi Taka at the exchange rates ruling at the transaction dates according to IAS 21: The effect of changes in Foreign Exchange Rates". Monetary assets and liabilities denominated in the foreign currencies are translated at prevailing rates on the balance sheet (financial position) date. Non monetary assets and liabilities denominated in foreign currencies, which are related at historical cost, are translated into Bangladesh Taka at the exchange date ruling at the date of transactions. Foreign exchange fluctuation gain/losses are charged to statement of Profit or Loss and Other Comprehensive Income whenever arise.

3.06 Financial Expenses

Financial costs comprise of interest expense on short term loan. The costs are charged to revenue except those are capitalized in accordance with IAS 23: Borrowing Costs.

3.07 Leased Assets

The company made renewable lease arrangement with Bangladesh Export Processing Zone Authority (BEPZA) for industrial Plot #135-136 in Cumilla EPZ on 15 October 2008 for 30 years. Since inception to the last year, the lease has classified as an operating lease as it does not transfer substantial risks and rewards incidental to the ownership consistent with the view laid down in IAS - 17 Leases. The total area is 4,000 Sq. meters (approximately).

In the context of the application of IFRS 16, right-of-use assets and lease liabilities were recognized onward on 1 July 2019. The Company transitioned to IFRS 16 in accordance with the modified approach and therefore prior years' figures were not adjusted. In addition, the Company has decided not to apply the new guidance to leases whose term will end within twelve months of the date of initial application and leases of low-valued assets. The asset is written off on a straight-line basis over the rest tenure of the lease agreements onward from 1 July, 2019. Hence, the useful life of any lease assets depends on the number of periods the assets can be used. The useful life of such assets is dependent on individual agreement and can vary from one agreement to another. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets. In calculating the present value of lease payments, the company uses incremental borrowing rate which is at present @ 9% at the date of commencement of IFRS 16 by the company for leased assets because the interest rate implicit in the lease is not readily determinable.

3.07.1 Measurement of lease payments

In the corresponding year, Lease payment (excluding cost for services such as insurance and maintenance) are recognized as expense in the income statement as per requirement of IAS 17. In the reporting year, depreciation, interest expenses, impairment losses etc. recognized as expense in the income statement as per requirement of IFRS 16.

3.08 Financial Instruments

Non-derivative financial instruments comprise trade receivables, trade payables, cash and cash equivalents and share capital.

Trade Receivables

Trade receivables are recognized initially at invoice value and subsequently measured at the remaining amount less allowance for doubtful receivable at the year end, if any. Receivables from foreign currency transactions are recognized in Bangladeshi Taka using exchange rates prevailing on the date of transaction.

Trade Payables

Liabilities are recorded at the amount payable for settlement in respect of goods and services received by the company.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash in hand and with banks on current and deposit accounts and short term investments which are held and available for use by the company without any restriction. There is insignificant risk of change in value of the same.

Share Capital

Ordinary shares are classified as equity. Incremental cost directly attributable to the issue of ordinary shares are recognized as a deduction from equity, net of any tax effect.

3.09 Taxation

3.09.1 Current Tax

FAR Chemical Industries Limited is situated at Cumilla Export Processing Zone, Cumilla Bangladesh and runs its business there. All industries run in the EPZ are eligible for exemptions from payment of tax for a period of 10 years as per income tax regulation vide IRD SRO No. 289-Law/89, dated 19 August 1989. During the financial year 2019-2020 the company has completed its tax exemption period. So from the financial year 2020-2021 the company's operating income will be under the income tax as applicable for the publicly listed company.

3.09.2 Deferred Tax

Deferred tax arises due to temporary difference deductible or taxable for the transaction which is recognized in the income statement. A temporary difference between the tax base of an asset or liability and its carrying amount/or amount in the Statement of Financial Position. Deferred tax assets or liability is the year income tax recoverable or payable in future periods recognized in the current period "IAS 12: Income Tax.

Since the income of the company is exempted from tax. So the calculation of deferred not required for the company.

3.10 Provisions

The preparation of financial statements in conformity with International Accounting Standard IAS - 37 Provisions, Contingent Liabilities and Contingent Assets requires management to make estimates and assumption that affect the reported amounts of revenues and expenses, assets and liabilities, and the disclosure requirements for contingent assets and liabilities during and at the date of the financial statements.

In accordance with the guidelines as prescribed by IAS - 37 provisions were recognized in the following situations:

- When the Company has a present obligation as a result of past event;
- When it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- Reliable estimates can be made of the amount of the obligation.

An appropriate level with regard to an adequate provision for risks and uncertainties has been shown in the Statement of Financial Position. An amount recorded as a provision represents the best estimate of the probable expenditure required to fulfill the current obligation on the date of Statement of Financial Position.

3.11 Contingencies

Contingent liabilities and assets are current or possible obligations or assets, arising from past events and whose existence is due to the occurrence or non-occurrence of one or more uncertain future events which are not within the control of the company. In accordance with IAS 37 Provisions, Contingent Liabilities and Contingent Assets are disclosed in the notes to the financial statements.

3.12 Earnings per Share (EPS)

This has been calculated in compliance with the requirements of "IAS 33: Earnings per Share" by dividing the basic earnings by the weighted average number of ordinary Shares outstanding during the year.

Basic Earnings

This represents earnings for the period attributable to the ordinary shareholders. As there are no preference dividend, minority interest or extra ordinary items, the net profit for the year has been considered as fully attributable to ordinary shareholders. Basic earnings per has been calculated by dividing the net profit or loss by the number of weighted average ordinary share outstanding during the year.

Diluted Earnings per Share (DEPS)

Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and number of ordinary shares outstanding, for the effect of all dilutive potential ordinary shares. However, dilution of EPS is not applicable for these financial statements as there were no potential ordinary shares during the relevant period.

3.13 Segment Reporting

No segmental reporting is applicable for the company as required by "IFRS 08: Operating Segments" as the company operates in a single industry segment and within as geographical segment.

3.14 Event after Statement of Financial Position Date

In compliance with the requirements of "IAS-10: Event after the reporting period" that provide additional information about the company's position at the date of the financial position are reflected in the financial statements and events after the reporting period that are not adjusting events are disclosed in the notes when materials.

There was no significant event that has been occurred between the statement of financial position date and date on which the financial statements are authorized for issue.

3.15 Employee Benefits

3.15.1 Worker's Profit Participation

The management of the fund is maintained by BEPZA according to the rules & guidelines imposed under the style of 'Constitution and Operation Procedure of EPZ Worker's Welfare Fund 2012'.

3.16 Financial Risk Management Policies

The company is exposed to normal business risks from changes in market interest rates and currency exchange rates and from non-performance of contractual obligations by counterparties.

The company does not hold or issue derivative financial instruments for speculative or trading purposes.

Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The majority of the interest rate exposure arises from short and long term borrowings from banks. The company has no significant risk of fluctuations in interest rates.

Foreign Currency Risk

The company is exposed to foreign currency risk relating to purchases and sales which are denominated in foreign currencies. The company primarily utilizes forward exchange contracts with maturities of less than one year to hedge such financial liabilities denominated in foreign currencies. The forward exchange contracts entered into at the reporting date also relate to anticipated purchases, denominated in foreign currencies, for the subsequent period.

Credit Risk

Credit risk is the potential financial loss resulting from the failure of a customer or counterparty to settle its financial and contractual obligations to the company as and when they fall due.

Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. Credit evaluations are performed on all customers requiring credit over a certain amount. At the reporting date there were no significant concentrations of credit risk. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of financial position. However, due to the large number of parties comprising the group's customer base, Management does not anticipate material losses from its debt collection.

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the party to incur a financial loss. The company attempts to control credit risk by monitoring credit exposures, limiting transactions with specific counterparties and continually assessing the creditworthiness of counterparties.

Concentrations of credit risk arise when a number of counter parties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentration of credit risk indicates the relative sensitivity of the company's performance to developments affecting a particular industry. The breakup amount due from customers other than related parties as disclosed in note 7.00 to these financial statements is presented below:

Due from customer other than related parties:

Gross trade and other receivable	Tk. 581,905,470.00
Less: Related Parties	Tk. 998,368.00
Net from Customers	<u>Tk. 580,907,102.00</u>

Out of the total trade debts of Tk. 581,905,470 .00the company has not made any provision. The aging profile to the trade debts overdue is as follows:

Time duration	Gross Amount	Impairment
Upto 6 months	581,905,470 .00	-
Over 6 months	-	
Total	581,905,470 .00	-

Liquidity Risk

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they fall due. Prudent liquidity risk management implies maintaining sufficient cash and bank balances and availability of funding through an adequate amount of committed credit facilities. The company aims to maintain flexibility in funding by keeping committed credit lines open. The maturity profile of the company's liabilities based on contractual maturities is as follows:

Financial Liability	Carrying Amount	On Demand	Contractual Cash flows	Upto One year	More than one year
Trade payable	32,426,095	-	32,426,095	32,426,095	-
Short term borrowing	131,076	-	131,076	131,076	8
Total	32,557,171	-	32,557,171	32,557,171	_

Fair Values

The fair value is an amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. Consequently, difference may arise between the carrying value and the fair value estimates. As at June 30, 2020 the net fair value of all financial assets and financial liabilities are estimated to approximate their carrying values.

Underlying the definition of fair value is the presumption that the company is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

3.17 Date of Authorization and Proposed Dividend

The financial statements were authorized for issue on 28 October, 2020 by the board of the Directors of the company. Board of Directors recommended 1% cash dividend for the financial year ended 30th June, 2020. Therefore, amount to be distributed as dividend BDT. 21,809,343 subject to final approval by the shareholders at the company's forthcoming AGM.

3.18 Impact of Covid-19

There are no going concern threats due to Covid-19 as the company has adequate resources to continue the company. However, being a deemed export oriented company it has been facing global impact of Covid-19. As a result during the period its sales revenue has declined.
